IMPORT TRADE CONTROL

New Delhi, the 21st December 1967

SUBJECT:— Import Policy for Registered Exporters for the period April 1967-March 1968—Procedure for making nominations.

No. 197-ITC(PN)/67.—Attention is invited to Public Notice No. 162-ITC(PN)/67 dated the 8th November, 1967 under which a revised application form for claiming replenishment licences under the aforesaid policy was prescribed.

2. In the statement of exports enclosed with the application form attached to the above Public Notice, there is a column for submission of evidence in regard to freight and insurance in respect of exports effected on c.i.f. or C&F basis. A question has arisen as to whether the registered exporters are required to produce with evidence even in cases where the f.o.b. value of the goods has been verified by the bank as per the revised forms of bank certificate. In view of the fact that the f.o.b. value of the goods has been verified by the bank as per the revised forms of bank certificate, the Registered Exporters are not required to produce evidence in regard to freight and insurance charges before the licensing authorities. Where, however, the f.o.b. value of the goods has not been verified by the banks, the Registered Exporters will be required to produce such evidence to the licensing authority along with the applications for grant of replenishment licences.

3. The matter has been considered and it is clarified that the registered exporters, in their own interest, should place the banks in a position to verify the f.o.b. value of the goods and to make a statement to that effect in the bank certificates. In such cases they will not be required to produce evidence of freight and insurance charges before the licensing authorities. Where, however, the f.o.b. value of the goods has not been verified by the banks, the Registered Exporters will be required to produce such evidence to the licensing authority along with the applications for grant of replenishment licences.
